<b>1. Head-to-Toe Assessment: Adult</b>	
1.0 Head-to-Toe Assessment: Adult	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-00_en</a>
1.1. Introduction	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-01_en</a>
1.2. Importance of Patient Comfort	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-02_en</a>
1.3. General Survey & Vital Signs	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-03_en</a>
1.4. The Skin	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-04_en</a>
1.5. HEENT	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-05_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-05_en</a>
1.6. Nervous System: Cranial Nerves	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-06_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-06_en</a>
1.7. The Neck	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-07_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-07_en</a>
1.8. Back, Posterior Thorax, and Lungs	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-08_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-08_en</a>
1.9. Upper Extremities	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-09_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-09_en</a>
1.10. Breasts	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-10_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-10_en</a>
1.11. Anterior Thorax and Lungs	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-11_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-11_en</a>
1.12. Cardiovascular System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-12_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-12_en</a>
1.13. Abdomen	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-13_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-13_en</a>
1.14. Peripheral Vascular System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-14_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-14_en</a>
1.15. Lower Extremities	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-15_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-15_en</a>
1.16. Nervous System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-16_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-16_en</a>
1.17. Genital and Rectal	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-17_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-17_en</a>
1.18. Summary	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-18_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-01-18_en</a>
<b>2. Head-to-Toe Assessment: Infant</b>	
2.0 Head-to-Toe Assessment: Infant (Full Volume)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-00_en</a>
2.1. Introduction	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-01_en</a>
2.2. General Survey and Somatic Growth	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-02_en</a>
2.3. Vital Signs	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-03_en</a>
2.4. The Skin	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-04_en</a>

2.5. Head and Neck	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-05_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-05_en</a>
2.6. The Eyes	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-06_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-06_en</a>
2.7. Ears and Nose	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-07_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-07_en</a>
2.8. Mouth and Pharynx	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-08_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-08_en</a>
2.9. Thorax and Lungs	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-09_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-09_en</a>
2.10. The Heart	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-10_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-10_en</a>
2.11. Breasts and Abdomen	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-11_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-11_en</a>
2.12. Genitalia and Rectum	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-12_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-12_en</a>
2.13. Musculoskeletal System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-13_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-13_en</a>
2.14. Nervous System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-14_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-02-14_en</a>
<b>3. Head-to-Toe Assessment: Child</b>	
3.0 Head-to-Toe Assessment: Child (Full Volume)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-00_en</a>
3.1. Approach to the Child Patient	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-01_en</a>
3.2. General Survey and Somatic Growth	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-02_en</a>
3.3. Vital Signs	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-03_en</a>
3.4. The Skin	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-04_en</a>
3.5. Head and Face	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-05_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-05_en</a>
3.6. The Eyes	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-06_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-06_en</a>
3.7. Ears and Nose	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-07_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-07_en</a>
3.8. Mouth and Pharynx	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-08_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-08_en</a>
3.9. Thorax and Lungs	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-09_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-09_en</a>
3.10 Heart (child)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-10_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-10_en</a>
3.11. Breasts and Abdomen	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-11_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-11_en</a>
3.12. Male Child Genitalia	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-12_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-12_en</a>
3.13. Female Child Genitalia	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-13_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-13_en</a>
3.14. Musculoskeletal System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-14_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-14_en</a>
3.15. Nervous System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-15_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-03-15_en</a>
<b>4. Head-to-Toe Assessment: Older Adult</b>	
4.0 Head-to-Toe Assessment: Older Adult (Full Volume)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-00_en</a>
4.1. Introduction	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-01_en</a>
4.2. Approach to Patient and Interviewing Techniques	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-02_en</a>
4.3. Health History	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-03_en</a>
4.4. General Survey and Vital Signs	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-04_en</a>

4.5. The Skin and HEENT	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-05_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-05_en</a>
4.6. Thorax, Lungs, and Cardiovascular System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-06_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-06_en</a>
4.7. Breasts, Abdomen, and Peripheral Vascular System	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-07_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-07_en</a>
4.8. Genital and Rectal	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-08_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-08_en</a>
4.9. Musculoskeletal and Nervous Systems	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-09_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-04-09_en</a>
<b>5. Head-to-Toe Assessment: Pregnant Patient</b>	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-05-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-05-00_en</a>
5.0 Head-to-Toe Assessment: Pregnant Patient (Full Volume)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-05-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-05-00_en</a>
5.1 Pregnant Patient Anatomy	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-05-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-05-01_en</a>
5.2 Pregnant Patient Physical Examination and Special Maneuvers	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-05-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-05-02_en</a>
<b>6. General Survey and Vital Signs</b>	
6.0 General Survey and Vital Signs (Full Volume)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-00_en</a>
6.1. Introduction (1:11)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-01_en</a>
6.2. Health History (3:37)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-02_en</a>
6.3. General Survey (5:18)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-03_en</a>
6.4. Vital Signs (13:18)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-06-04_en</a>
<b>7. Skin, Hair, and Nails</b>	
7.1 Skin, Hair, and Nails Introduction	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-07-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-07-01_en</a>
7.2 Skin, Hair, and Nails Anatomy	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-07-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-07-02_en</a>
7.3 Skin, Hair, and Nails Physical Examination	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-07-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-07-03_en</a>
7.4 Skin, Hair, and Nails Pathology and Special Maneuvers	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-07-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-07-04_en</a>
<b>8. Head and Neck</b>	
8.0 Head and Neck (Full Volume)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-00_en</a>
8.1 Head and Neck Introduction	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-01_en</a>
8.2 Head and Neck Anatomy	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-02_en</a>
8.3 Head and Neck Physical Examination	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-03_en</a>
8.4 Head and Neck Pathology and Special Maneuvers	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-08-04_en</a>
<b>9. Eyes</b>	
9.0 Eyes (Full Volume)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-00_en</a>
9.1 Eyes Introduction	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-01_en</a>
9.2 Eyes Anatomy	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-02_en</a>
9.3 Eyes Physical Examination	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-03_en</a>
9.4 Eyes Pathology and Special Maneuvers	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-09-04_en</a>
<b>10. Ears and Nose</b>	

10.0 Ears and Nose (Full Volume)	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-00_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-00_en</a>
10.1 Ears and Nose Introduction	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-01_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-01_en</a>
10.2 Ears Anatomy	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-02_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-02_en</a>
10.3 Ears Physical Examination	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-03_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-03_en</a>
10.4 Nose Anatomy	<a href="https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-04_en">https://clinicalcontext.lww.com/en/batesvisualguide/rid/Bates-PEX-10-04_en</a>
